

WORKERS' COMPENSATION JANUARY 1, 2015 BENEFIT RATES

The U.S. Department of Labor has reported an increase in California's State Average Weekly Wage (SAWW) for the period ending March 31, 2014, at \$1,095.70, compared to last year's SAWW at \$1,067.25. Therefore, effective January 1, 2015, the temporary disability rates will increase as follows:

EFFECTIVE FOR DATES OF INJURY ON OR AFTER JANUARY 1, 2015:

The minimum weekly Temporary Total Disability (TTD) rate will increase to \$165.49. This means that employees with weekly earnings below \$248.23 will be entitled to the minimum TTD rate.

The maximum weekly TTD rate will increase to \$1,103.29. This means that employees with weekly earnings of \$1,654.93 or higher will be entitled to the maximum TTD rate for dates of injury on or after January 1, 2015; and for temporary disability benefits paid more than two years from date of injury.

TEMPORARY DISABILITY WEEKLY RATES				
Effective Date	Average Weekly Min Earnings	Minimum Weekly TD Rate	Average Weekly Max Earnings	Maximum Weekly TD Rate
